To: Contracting Officer, CA-20 ✓
Subject: CONTRACT CA-20, COMPLETION AND CLOSURE
Reference: Headquarters' TWX 2437 dated 12 January 1967

Since work has been completed and the financial audit has been concluded, we have reviewed the balance of the administrative requirements in accordance with your request of reference message. Following are the results of this final review:

1. Clause 16, Reporting of Royalties - To the best of our knowledge, we paid no royalties in connection with the services provided under this contract.
2. Clause 21, Government-Furnished Property - GFP and GFAP received for rework and repair, acquired or otherwise furnished under this contract, have been delivered or accounted for in accordance with our normal procedures. No tooling was acquired or fabricated. Therefore, there is no residual government property or material remaining to be dispositioned under Contract CA-20.
3. Clause 25, Filing of Patent Applications - No patent applications were filed as a result of the performance of the subject contract.

The above confirms your understanding set forth in reference and we concur with you that the contract may now be closed.

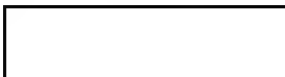

Sincerely,

STATINTL
